

On-camera charisma, Southern-style

Brandon Russell

TV/Film | Live Events | Product Endorsements | Commercials

Take one look at Brandon Russell and you'll never want to look away. With a stunning face and rock hard, sculpted body, Brandon commands attention everywhere he goes. He was sometimes called, "the sexiest TV carpenter" during the 2007 and 2008 seasons of TLC's *Trading Spaces*, where he combined his expertise in home remodeling with his on-camera charisma and just a touch of a Southern accent. He's been a featured extra on *Sex and the City*, *The Guiding Light* and in the hit film, *Sweet Home Alabama*.

Before he lit up the screen, Brandon was a professional

model doing print and television commercials and runway shows for such national brands as Polo, Calvin Klein, Jeffrey New York, Phat Farm, Nautica, Guess, After Hours and Macy's, just to name a few.

This hunk also has a heart. Brandon recently founded *Fix It Forward*, a charitable organization that encourages people to help those in need in their own community.

If you need one of America's next heartthrobs for a film project or live event, here's Brandon Russell.

The gift of gab, coupled with good looks, makes the best sort of pitchman! From product endorsements to commercials, most anyone would buy from this Southern charmer!
